The following disclosures are required to be made annually by all elected and appointed officials of Heber City pursuant to Municipal Officers' and Employees' Ethics Act, Utah Code §§ 10-3-1306, 1307, and 1308 and Heber City Code §§ 3.14.200 Conflict Prohibited and 3.14.300 Penalties.

If additional space is needed, please use a separate sheet of paper. Per statute, the information provided shall be kept on file with the Heber City Mayor and may be subject to disclosure to the public.

I, David Scott Phillips am the duly elected/appointed
City Council member of Heber City.

- 1) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which are subject to the regulation of Heber City, and within such business entities, I hold the following positions:

Business Entity Name:

Position within Business Entity:

Ownership of a substantial interest is defined in U.C.A. 10-3-1303(9) as the ownership, either legally or equitably, by an individual, the individual's spouse, or the individual's minor children, of at least 10% of the outstanding shares of a corporation or 10% interest in any other business entity.

*Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the municipality." A business which is simply issued a business license by the municipality may or may not be deemed by a court, administrative agency, an auditor, or member of the public to be an entity regulated by the municipality. Businesses regulated by interlocal agencies of which the municipality is a member may or may not be deemed to be a business regulated by the municipality (i.e., a restaurant subject to regulations imposed by an interlocal agency).

A business entity which requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by Heber City than a business that simply receives a business license from Heber City.

- 2) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which do business with or anticipate doing business with Heber City.

Business Entity Name:

Position within Business Entity:

NA NA

Please note: Pursuant to U.C.A. §10-3-1307 an officer must disclose his or her interest or involvement in such an entity immediately prior to any discussion in an open and public meeting pertaining to business that Heber City may do with any such entity, regardless of whether a disclosure of interest or involvement in the business was made in this document.

- 3) In accordance with U.C.A. §10-3-1308, the following personal interests or investments of mine create a potential or actual conflict between my personal interest and my public duties:

*** OPTIONAL DISCLOSURES ***

- 4) The following disclosures of other business interests, investments, and other matters are not required to be made by law, but are made with the intent to more fully disclose other interests that may be deemed relevant to the administration of public duties, or in furtherance of my intent to provide a more complete disclosure of my economic or personal activities, or for other reasons:
